Get the Lowdown on Your Customers

With GlassHouse, home service professionals finally have the power to research, rate, and review their customers. Start making better decisions about the jobs you take, the clients you work with, and the services you provide today!

Research

Look up new customers on GlassHouse to see ratings and reviews from other service providers before you commit to the job.

Ratings

Use GlassHouse ratings to prioritize good customers and protect yourself from bad ones via payment and engagement terms.

Reviews

After a job is done, submit a review to keep your customer data up-to-date while paying it forward to other service providers.
